Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Thursday 10 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry and occasionally bright Friday, but temperatures down.

This Evening and Tonight:
A band of rain will move southeast over Scotland overnight but becoming light and patchy. Drier conditions following with a few showers in northwest. Staying mild with fresh southwesterly winds.

Friday:
Some light showers, mainly in north, but most parts staying dry. Best of sunshine in east, where it feels warm, despite temperatures being down from Thursday. Fresh southwesterly winds.

Outlook for Saturday to Monday:
Mainly dry with sunny spells on Saturday. Rain spreading into the west on Sunday but drier, brighter and warmest in the east. Cooler with sunny spells and showers on Monday.
